

Chockoyotte Country Club

800 Country Club Rd
Weldon 27890

Phone: (252) 536-3166

We are a private country club for the enjoyment of our membership and their guests. Our 18 hole golf course is unique in design with having our front nine being designed by Donald Ross and our back nine by Ellis Maples, these two different designers offer a fun and challenging course to enjoy. The course is set under majestic pines and old oak trees with having the wonderful eastern North Carolina temperatures to offer year round enjoyment. Our greens are bent grass turf with bermuda fairways.
