

Dickens Plumbing

1259 Hammack Road
Gasburg 23857

Phone: 434-577-9911
Fax: 434-577-2258

For almost 20 years, Dickens Plumbing has been proud to be a part of the Lake Gaston community and surrounding areas. A second generation family owned and operated business, we provide quality workmanship on any residential or commercial plumbing project, whether it is new construction, remodeling, or plumbing repairs.

At Dickens Plumbing, we understand that our success is incumbent upon the satisfaction of our customers. No job is complete until the customer is 100% satisfied! We work with a broad range of contractors from Raleigh to Richmond, many whom build custom homes in the Lake Gaston area. And if you have visited Lake Gaston, there is a good chance we installed the plumbing in the house you visited since we have installed plumbing in over a 1000 homes on the lake alone.
