For lunch we serve a wide variety of handpressed custom burgers, grilled chicken sandwiches, the infamous "Middleburg" salad bar and daily soups. We also offer deli style sandwiches including homemade chicken salad, pimento cheese, french dips and more! For dinner we continue to serve only choice beef or higher prepared to your specifications over a genuine charcoal grill. Offering endless mouthwatering beef choices, we proudly serve fresh seafood, juicy chicken, and fall of the bone ribs. Our chefs strive to exceed your expectations and our wait staff's goal is to spoil you and make you feel like part of our family. Located in the facility that once was Wildflower Cafe.
